HOW MY GRAPHIC NOVEL GOT ME ON

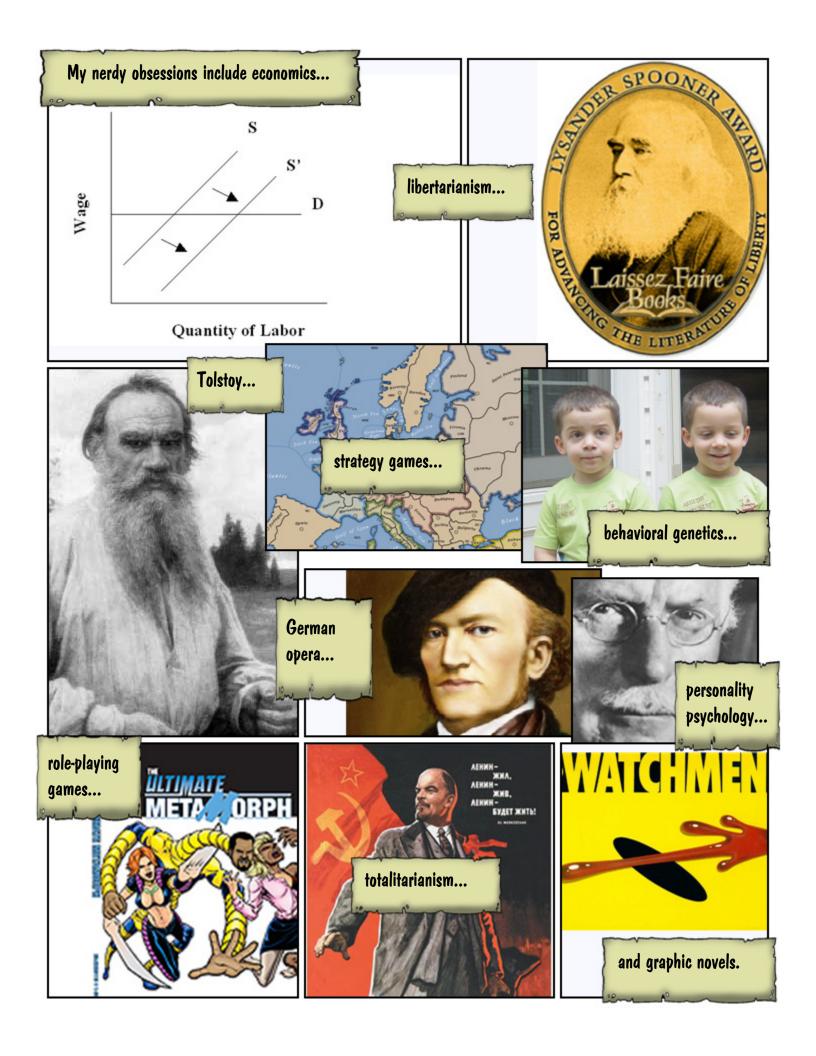

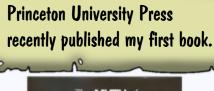

THE GRAPHIC NOVEL

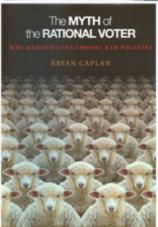

by Bryan Caplan

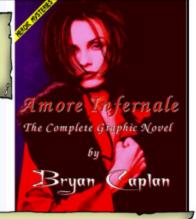

But I've also just written a graphic novel.

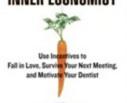

For the time being, it's "self-published."

Marginal Revolution

Small steps toward a much better world.

Still, my graphic novel got a lot of readers after it was blogged...

« How can you

Bryan Caplan's graphic novel

- 1. Here. What do you think?
- 2. Interfluidity.com, how come no one other than Dani Rodrik told me about this guy?
- 3. The real scoop on fair trade coffee
- 4. How do statisticians differ from economists who do statistics?
- 5. Where do people walk the fastest? Singapore and Copenhagen, plus a longer list

How My Graphic Novel Got Me on C-SPAN

Bryan Caplan

True order of events:

- 1. I put my graphic novel on my webpage.
- 2. Tyler blogged it.
- 3. Tim Kane read Tyler's blog and emailed me about our shared interests in economics
